I don't really know how to interpret this letter. On the one hand, EPA is saying that the BDCP's NEPA document is incomplete. On the other hand, it is saying that it expects the subsequent regulatory process to provide whatever answers are outstanding. Thoughts?

Dear Colleagues:

The following letter on the Bay Delta Conservation Plan/California WaterFix project has been sent out today by our Regional Administrator. If you have questions or need additional information, please give me or EPA Region IX Congressional Liaison Brent Maier a call. Brent is out today, but will be back on Monday. His number is 415-947-4256. My contact information is below.

Regards,

Kelly Zito
